

L3AI media_kit_text

L3AI Media Kit Text

English

Brand Description

L3AI is an AI-native financial intelligence platform for Web3 users. The brand stands for clarity, structured context, risk awareness, and practical AI-assisted understanding.

Brand Attributes

Attribute	Description
Clear	L3AI explains complex Web3 concepts in direct language.
Intelligent	L3AI uses AI to organize information and support understanding.
Risk-aware	L3AI keeps uncertainty visible and avoids exaggerated claims.
User-centered	L3AI focuses on how users learn, review, and participate.
Community-minded	L3AI supports shared learning and ecosystem participation.

Logo Usage Copy

Use the L3AI name and logo with clear spacing, readable contrast, and calm visual hierarchy. Do not combine the brand with unapproved partner marks, exchange marks, legal seals, or symbols that imply financial certainty.

Visual Direction

L3AI visuals should feel precise, modern, and structured. Recommended visual themes include intelligent orbit paths, modular product nodes, wallet-aware flows, clear education surfaces, and calm technical layouts.

Image Caption Options

- L3AI brings AI-assisted clarity to Web3 financial experiences.
- L3AI helps users understand market context, wallet activity, and risk considerations.
- L3AI combines product education, wallet-aware context, and community learning.
- L3AI supports clearer, more thoughtful Web3 participation.

Social Bio Options

Short

AI-native financial intelligence for Web3 users.

Medium

L3AI helps Web3 users understand markets, wallets, product context, and risk with AI-assisted clarity.

Long

L3AI is an AI-native financial intelligence platform helping Web3 users understand market context, wallet activity, product modules, ecosystem information, and risk considerations through a clearer product experience.

Alt Text Guidance

- Describe the product or brand surface plainly.
- Do not add unsupported financial claims in alt text.
- Keep alt text useful for readers who cannot see the image.

Sample Alt Text

- L3AI brand graphic showing modular AI and Web3 intelligence nodes.
- L3AI product screen concept showing wallet-aware context and education modules.
- L3AI visual layout showing AI-assisted market context and risk-aware product learning.
